

# VINAYAK SRIVASTAVA

Room no. 403, Nelson Mandela (I) Block, SRM Hostel | [vinayak.sri@yahoo.com](mailto:vinayak.sri@yahoo.com) | +91 88517 21696

**Objective:** To develop my skills as a Computer Science Engineering undergraduate student, network with people with similar interest and participate in group projects with them.

**Core Skills:** Programming, Project Coordinator, Certified Musician

**Computer Languages:** C, C++, Python, JavaScript, TypeScript, React, HTML, CSS

## Experience

- Co-founder of Project Altering Society.**
  - Project Altering Society* is a social group which focuses on fighting for women rights and other social evils present in the society. Me and my team launched awareness campaigns for youth on social media platforms and visited NGOs and government schools teaching the youth about the social problems and how to fight them.
- Member of Siddhart Memorial Charitable Trust (SMCT)**
  - SMCT is a non-profit NGO established in Delhi NCR, Noida. Active member of the NGO from July 2022 to December 2022. I taught the students music and organized carnivals to help improve their soft skills such as self-confidence, public speaking and teamwork.
- Associate Technical Lead in SRMKZILLA**
  - SRMKZILLA is the official *Mozilla Campus Club* of SRM University of Science and Technology. I started working in the club as a member in 2023 and am currently working there as an Associate Technical Lead.
  - SRMKZILLA is an open-source club with a mission to engage programmers and codes to come together and create code together. It motivates the young and brilliant minds to contribute to the coding world.
- Certified Musician**
  - I have a music certification from Trinity College London. I have a grade 3 certification in Electric Guitar with Distinction and a grade 2 certification in Classical Guitar with Merit
  - Participated in multiple competitions and events in North India as a lead guitarist and percussionist.

## Awards and Acknowledgements
